Date: 4, February 2019

Dear Sir / Madam,

### Proposed Parking amendments & Traffic Speed measures, Tutbury Area

Staffordshire County Council is proposing to amend existing parking restrictions within Tutbury Village and install new traffic speed measures outside of Richard Wakefield Primary School. This is with the view to improve on street parking allowing local businesses to operate more effectively and road safety.

It is the proposal to:

- Remove some sections of no waiting at any time and replace with limited parking timed bays;
- Install new no waiting at any time restrictions at width restricted junctions in residential areas;
- Install new full width road humps to reduce vehicle approach speeds outside of Richard Wakefield Primary School on Burton Street.

Signage will be installed as required to inform motorists of the road speed humps.

All the above proposals are indicated within the attached drawing: 6627/1834/R01/01.

I would like to ask for your views in relation to the proposed changes; therefore, can you please complete and return the attached form within 21 days of the date of this letter.

Should you require any further information, please do not hesitate to contact me.

Yours Sincerely,

*A. Cartlidge*
