CORRESPONDENCE

Green Lane traffic Order

As part of its ongoing review of safety of the highway network, Staffordshire County Council

are proposing to provide road safety improvements along Green Lane, Tutbury. The proposals are being put forward in order to address concerns relating to vehicle speeds and visibility for pedestrians crossing Green Lane, which has been identified in the locally elected members Divisional Highway Programme.

The proposal is to introduce a ban on Motor Vehicles with exception for access to off street properties on Green lane

If you have any comments you would like to make regarding the proposals for this scheme, submit a response before 6th June 2

Planting Scheme

A request from the open gardens committee, businesses and residents of High Street to consider a red planting scheme for the planters and erection of the flags High Street for the jubilee.

“The 30th Anniversary of the Open Gardens which has become a valuable source of support for Tutbury Groups. As a member of the Open Gardens Committee and also a resident of the High Street, we would again appreciate the Parish Council’s support to agree to the red planting scheme on the High Street. Once again, all residents, at their own financial cost, are being encouraged to support the red theme and the vast majority are very happy to do so having enjoyed the lasting splendour last year. “

An alternative suggestion has been received to use a blue and yellow planting scheme in support of the people of Ukraine

Climate Change and Sustainable Development

Draft Supplementary Planning Document has been distributed to councillors for consultation feedback/

The consultation on the SPD will run for six weeks from **9am Wednesday 4th May to 5pm Friday 17th June 2022**

**Please make any comments to:
PlanningPolicy@eaststaffsbc.gov.uk**

The Climate Change SPD can be viewed at:

<http://www.eaststaffsbc.gov.uk/planning/planning-policy/consultations>

A copy of the SPD can be viewed by appointment at East Staffordshire Borough Council, The Town Hall, King Edward Place, Burton upon Trent, DE14 2EB between the hours of 9am – 3pm. Appointments must be made before visiting by emailing PlanningPolicy@eaststaffsbc.gov.uk or by phone on 01283 508 000

An email from Kate Griffiths MP has been received inviting the PC to inform her of the jubilee plans for Tutbury and an invitation for an informal chat about what is happening in the parish.

Peacocks

A letter from a parishioner regarding the high number of peacocks has been received. The noise, mess and number of peacocks is causing a problem in Wakefield Ave and Holts Lane area. Residents are feeding them which is attracting them to properties in large quantities causing a nuisance. The number of peacocks and the related issues has been requested to be addressed on a future agenda for the residents affected by them.

Twenty is Plenty

An email has been received objecting to the proposed 20 is plenty initiative. The resident has strong objections to the a 20mph speed limit in Tutbury as the current is perfectly acceptable if

There has been no notable accident in the village that could warrant this action, it would be totally enforceable and would probably cause more accidents than it saves as drivers become obsessed with watching their speedo instead of the road. It was felt that during peak time if anyone can drive faster than 25mph in any case

Police report A report has been received detailing an increase in crime and a decrease in Anti social behaviour.
